

Paul Fronstin
Director, Health Research and Education Program
Employee Benefit Research Institute

Paul Fronstin is Director of the Health Research and Education Program at the Employee Benefit Research Institute (EBRI), a private, nonprofit, nonpartisan organization committed to original public policy research and education on economic security and employee benefits. He also oversees the Center for Research on Health Benefits Innovation. He has been with EBRI since 1993.

Dr. Fronstin's research interests include trends in employment-based health benefits, private health insurance exchanges, workplace wellness programs, consumer-driven health benefits, retiree health benefits, employee benefits and taxation, and public opinion about health benefits and health care. He currently serves on the board of trustees for Emeriti Retirement Health Solutions and for the Maryland Patient Safety Center. He also serves on the National Advisory Board for the University of Michigan Center for Value-Based Insurance Design. He is the associate editor of *Benefits Quarterly* and is also a TIAA-CREF Institute Fellow. From 2012-2016, Dr. Fronstin served on the Maryland Health Care Commission. In 2010, he served on the Institute of Medicine (IOM) Committee on Determination of Essential Health Benefits.

Dr. Fronstin earned his Bachelor of Science degree from SUNY Binghamton and his Ph.D. in economics from the University of Miami.
